Complete list of species from Broadbalk Survey data 1869-2018

(This includes all 181 original names used at the time of recording hence will include duplicates)

Avena sativa Brassica napus Crepis spp.

Acer campestris Brassica oleracea Crepis vesicaria

Acer pseudoplatanus Brassica spp. Dactylis glomerata

Acer spp. Bromus arvensis Elymus repens

Achillea millefolium Bromus commutatus Elytrigia repens

Aethusa cynapium Bromus secalinus Epilobium montanum

Agrostemma githago Bromus sterilis Epilobium spp.

Agrostis gigantea Bromus spp. Equisetum arvense

Agrostis spp. Bryonia dioica Euphorbia exigua

Agrostis stolonifera Capsella bursa-pastoris Euphorbia peplus

Agrostis tenuis Cardaria draba Fallopia convolvulus

Allium vineale Castanea sativa Festuca pratensis

Alopecurus myosuroides Caucalis arvensis Fraxinus excelsior

Anagallis arvensis Centaurea nigra Fumaria officinalis

Anthemis cotula Cerastium Galeopsis tetrahit

Anthriscus sylvestris Cerastium arvense Galium aparine

Aphanes arvensis Cerastium fontanum Galium tricorne

Arenaria serpyllifolia Chaenorhinum minus Galium tricornutum

Arrhenatherum elatius Chamerion angustifolium Geranium molle

Atriplex patula Chenopodium album Geranium spp.

Avena fatua Cirsium arvense Grass species

Avena ludoviciana Cirsium vulgare Hedera helix

Avena spp. Clematis vitalba Heracleum sphondylium

Barley Convulvulus arvensis Holcus lanatus

Bartsia odontites Crataegus monogyna Holcus mollis

Juncus bufonius Phaseolus vulgaris Sambucus nigra

Kickxia elatine Phleum pratense Scabiosa spp.

Knautia arvensis Plantago lanceolata Scandix pecten

Lamium purpureum Plantago major Scandix pecten-veneris

Lapsana communis Poa annua Senecio arvensis

Lathyrus pratensis Poa pratensis Senecio erucifolius

Legousia hybrida Poa spp. Senecio jacobaea

Leontodon autumnalis Poa trivialis Senecio officinale

Leontodon spp. Polygonum aviculare Senecio spp.

Linaria spp. Polygonum convolvulus Senecio vulgaris

Linaria vulgaris Polygonum lanceolata Silene spp.

Lithospermum arvense Polygonum persicaria Sinapis alba

Lolium italicum Potato Sinapis arvensis

Lolium perenne Potentilla reptans Solanum dulcamara

Malva spp. Prunus avium Solanum nigrum

Matricaria inodora Prunus cerasus Sonchus arvensis

Medicago Prunus spp. Sonchus asper

Medicago lupulina Quercus robur Sonchus oleraceus

Michaelmas Daisy Quercus sp. Sonchus spp.

Minuartia hybrida Ranunculus arvensis Spergula arvensis

Myostis arvensis Ranunculus ficaria Stellaria spp.

Odontites verna Ranunculus repens Stellaria graminea

Oilseed Rape Ricinus communis Stellaria media

Papaver argemone Rumex crispus Taraxacum officinale

Papaver dubium Rumex obtusifolius Taxus baccata

Papaver rhoeas Rumex spp. Thistle

Papaver spp. Salix caprea Salix sp. Thlaspi arvense

Trifolium pratense Urtica dioica Veronica persica

Trifolium repens Urtica spp. Veronica polita

Trifolium spp. Valerianella Veronica sp.

Tripleurospermum Valerianella dentata Vicia faba

inodorum Valerianella locusta Vicia sativa

Tussilago farfara Veronica agrestis Vicia tetrasperma

Veronica hederifolia

Ulmus spp.

Veronica arvensis

Viola arvensis

Ulmus procera

Veronica chamaedrys

Wheat

Umbelliferae
